Dear Mr. Hedberg:

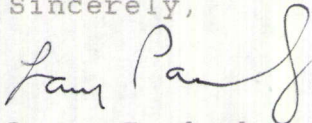

Re: Permit Amendment Review, Construction of Solid Waste Dump,
U. S. Gypsum, Jumbo-Jensen Quarry, M/041/008, Sevier County, Utah.

Due to personnel changes in management at the Jumbo-Jensen Quarry, communications and full attention to the amendment request of a new gypsum wallboard waste dump, has been on our part incomplete and unsatisfactory. Please accept our apology.

Included please find a summation of all requested pertinent information in regards to your letter dated June 14, 1993. Permit revision form (MR-REV), associated exhibits, and current plans for the project are included.

Any further questions or communications concerning this project should be addressed to the attention of Larry Pawlosky, Quarry/Mill Manager, U. S. Gypsum, Sigurd, Utah, (801) 896-4484. Thank you.

Sincerely,

Larry Pawlosky
